## You Are Complete in HIM

His love for us is shown daily in the way he yearns for us to step into what he has prepared for us. His greatest desire is for us to give others what he has given to us. We are complete in him.

**Col 2:10-12 (KJV) says, “And ye are complete in him, which is the head of all principality and power: In whom also ye are circumcised with the circumcision made without hands, in putting off the body of the sins of the flesh by the circumcision of Christ: Buried with him in baptism, wherein also ye are risen with him through the faith of the operation of God, who hath raised him from the dead”.**

Jesus Christ came to the world to do a complete job for you and me. The price tag on salvation is not a cheap one. When Jesus was about to die he said, “It is finished”. By this He meant that all things that will be needed for the work of redemption had been completed on the cross.

**You are complete against fear:** Why are you afraid of man? David said in Psalm 56:11(KJV), **“In God have I put my trust: I will not be afraid what man can do unto me”.** The work of redemption has given us freedom and boldness to conquer all fear, if you are on the Lord’s side. Peter and John were warned not to call on Jesus’ name again but a change came when he responded to the threat of the authorities in **Acts 4:13, “Now when they saw that Peter and John were without fear, though they were men of no education or learning, they were greatly surprised; and they took note of them that they had been with Jesus”.**

**You are complete in victory:** When you give your life to Christ, you enter into a new level of completion. Jesus embraces your past, directs your present and controls your future. He guides you on a daily basis to appear before him by conforming

to his agenda for you. Jesus is the head of all principality and power. All powers in heaven, on earth, and beneath the earth are under his footstool. Your load of sin, pain and all things you’re going through are all under his feet. If you surrender your life to him, allow him to take over completely. If you have given your life to him, walk in His ways of holiness and righteousness and let him perfect the work of completion in your life. He will take over your battles.

**You are complete in joy:** Are you concerned about your life like Jabez in **1 Chronicles 4:9-10**? Cry to Jesus today and he will turn your sorrow to unspeakable joy and blessing. Do not be like Ichabod in **1 Samuel 4:21**, who carried a curse without crying out. The challenges you are going through today are to bring out a better person in you because you are complete in him! Job said in **Job 23:10, “But he knows the way that I take; when he has tested me, I shall come forth as gold”.** God cannot leave you the way he meets you. A change is on the way for you! Walk tall today, raise your head high, for you are fighting a battle that has been won and you are complete in Him!

If you have not received Christ into your life, today is the day of salvation. Please, do not delay; Satan is roaming to devour you.

Pray this prayer now: Lord Jesus I humbly come to you today to give my life to you. I surrender my all to you; have mercy on me. I receive you into my heart and I want to enjoy your work of completion in my life. Thank you as you accept me as your beloved. Amen.

Shalom

# TESTIMONIES

I have been out of a Job for a while and I been to all possible recruiters and applied everywhere trying to get a job but nothing was coming my way. So I decided to take my boards to while away time. I get a call one morning from a recruiter about a position, so excited about the opportunity I prayed I went in for the interview and was offered the job. Being the fact it came through a recruiter, I have to be in contract with them for a specific period. I started the job and I had worked a week and my boss came to me telling me they had to let me go because of complications with my contract and the Recruiting company. I felt really low and could not understand why all this was happening again but I prayed about it and I get another call 2 weeks later but with the same company who noticed I had a applied for the position 6 months ago. Now they could hire me directly and with no complications. I am so grateful to God for taking control of my affairs. Praise God.

I have been noticing that I was feeling sick lately. Few days to my birthday in the morning I started feeling funny coughing. I kept on going and realized that I was coughing blood and the next day the same thing continued I used my anointing oil and headed to the hospital saying a prayer to God (I professed saying I would return back home with my two legs strong) While I was registering at the hospital I started coughing again and this time so much blood which scared the nurse attending to me. I was quickly rushed to a room and was been prepped for x-rays the Nurse then brought in some documents asking me to sign just in case something were to happen.

I started praying using my anointing oil saying nothing would happen to me and I would live to declare the Glory of God. The X-rays were done and nothing was found. I was miraculously healed and I haven't seen any traces of any liniment Glory to God.
